Greetings from the Geneva Lake Women's Association!

Please accept this invitation to join us in the publishing of the Fourth Edition of our exclusive cookbook, "A Taste of Lake Geneva IV!"

With *nearly 3,000 copies sold*, the last edition of this professionally published, deliciously complete cookbook raised *over \$20,000* for the Greater Walworth County area, and among those who benefitted: the Twin Oaks Homeless Shelter, the YMCA Dream Team (a special needs baseball program), the Visiting Nurses Association, several Walworth County Food Pantries, S.M.I.L.E.S (an equestrian program improving the lives of children and adults with disabilities) and many more.

The cookbooks are a collection of over 600 recipes submitted by GLWA members, their friends and families, and are promoted and sold throughout the area at retail stores, by our members, and through several area hotels and chambers of commerce. And, this version will include new sections with special, in-demand Diabetes and Gluten-Free recipes!

Originally organized as an extension of the Lake Geneva Jaycees, the Geneva Lake Women's Association is a 501c3 organization serving the needs of the Greater Walworth County area. GLWA raises thousands of dollars every year to support the needs of the community, including the homeless, the hungry, special needs children and adults, and the elderly. GLWA also awards annual scholarships to exemplary young women and provides a summer "Safety Town" program for children entering 4K, teaching bicycle, school bus and fire safety, and introduces children to police officers and firemen to promote trust and confidence.

We invite you to place an ad in the fourth edition of "A Taste of Lake Geneva!" For just a few dollars, you will be helping those who are in need in our community, as well as promoting your business in several thousand cookbooks distributed all over the Southeastern Wisconsin and Northern Illinois area!

We thank you for your consideration and support. We look forward to partnering with you to provide for the needs in our community through this effort!

Many Thanks for Your Support,

Nancy Douglass
